## New Laws

House Bill 2115 has been signed by the Governor—Chapter 65. This new law allows the Acupuncture Board and 17 other professional boards to issue a nondisciplinary order requiring their licensees, certificate holders, or permit holders to complete a prescribed number of hours of continuing education in an area or areas prescribed by the board to provide the licensee, certificate holder, or permit holder with a necessary understanding of current developments, skills, procedures, or treatment.

Senate Bill 1295 has been signed by the Governor—Chapter 102. This new legislation changes the term “oriental” to “asian” in statute. Provides an intent clause stating that it is the intent of the legislature that agencies, boards, commissions, departments, officers and other administrative units of this state to make similar changes in their respective administrative rules.
